Return of the Cheetahs

Come join us on July 1st and July 8th as the Windy City ThunderBolts honor the good old days by bringing back the Cheetahs to Standard Bank Stadium. Crestwood's very own ThunderBolts will be sporting throw back jerseys (courtesy of Santo Sports Store) and hats bearing the Cheetahs logo. Fans will have the opportunity to meet and receive autographs from former Cheetahs players. Tickets will be sold for JUST \$10 a carload. That's right, for only \$10 you can pack as many people as you want into your car for one LOW price. If that wasn't enough, fans get to pick their own seat with our general admission seating*. The first 250 fans of each night will also receive a Cheetahs hat courtesy of CloverLeaf Farms.
