25 Years of South Side Fun

2024

From our famous fireworks to our incredible theme nights and promotions, the ThunderBolts organization provides affordable, family-oriented fun and entertainment to the region we proudly represent.

Every night at the park is unique. Family ticket deals, military honors and wrestling Thursdays are just a few of the weekly specials our fans enjoy. Our popular themed firework nights include live entertainment on Elvis & Beatles Night and character nights with princesses, superheroes and more for the kids! Whether it is a family outing, a couples date night or a gathering of co-workers, Ozinga Field is the place to be on a summer night!

Pro wrestling after most Thursday night games!

ThunderBolts Baseball

Baseball's best from around the country and abroad play for the ThunderBolts and the Frontier League. The 2024 season will be special as Chicago White Sox World Series hero Bobby Jenks joins the ThunderBolts as Manager this summer looking to lead the Bolts back to the playoffs.

The road to "The Show" goes through Crestwood. Since entering the region a quarter of a century ago, our organization has been a platform for players that dream to move on to Major League Baseball organizations. No other Partner League organization has moved more players to MLB systems, and the ThunderBolts have produced many big leaguers from their alumni including former Chicago Cubs and White Sox.

Frontier League

The ThunderBolts have been proud members of the Frontier League since 1999. Only one other current franchise has been in the league as long as the Bolts.

The goal of the league was to bring professional baseball to places that affiliated baseball wouldn't go. Ironically, the league is now a part of Major League Baseball as an official Partner League. What started in 1993 as eight teams playing in municipal parks has become an international circuit featuring 16 teams in eight states and two Canadian provinces. The Frontier League is North America's oldest continually operating Partner League of Major League Baseball.

Each year, millions of fans watch Frontier League baseball in some of the best ballparks in the country. Millions more have watched on our league wide streaming platform. Thousands of players have had their contracts purchased by Major League clubs and the Frontier League has had more players signed to contracts with MLB organizations than any other Partner League in the country.

My favorite trip of the year is in Canada.

Looking Back to the Stars

This past summer the ThunderBolts hosted the Frontier League All-Star Game and related events at Crestwood's Ozinga Field. It was the first time the prestigious event returned to the Chicago Southland in over two decades.

The three day event welcomed thousands of visitors to the area and even more watched across the country live while being named an award recipient of the 2023 Champions in Economic Impact in Sports Tourism by the nationally recognized Sports Destination Management organization. The various hospitality events, activities and ceremonies were held all-over the SouthSide and would not have been possible without the Village of Crestwood, Chicago Southland Convention & Visitors Bureau and the Cook County Tourism Alive Program.

The ThunderBolts are proud of their SouthSide roots and were honored to bring this event to the Chicago Southland.
