# Presentation is everything!

Play a company softball game on our state-of-the-art synthetic field!

Ozinga Field is equipped with a huge videoboard and stadium sound system capable of live video, graphics, replay, and even cable television so you won't miss the big game during your event!

Our facility is able to accommodate any type of staged event. Include live music during your special day! We can also provide a platform to address large crowds such as religious gatherings and celebrations.
