Frontier League

2021

The Windy City ThunderBolts are the minor league baseball team of Chicago's SouthSide and the Southwest suburbs. We are entering our 22nd season in the Frontier League, winning the championship in 2007 & 2008.

Beginning with the 2021 season, the Frontier League became an "Official Partner League" of Major League Baseball. The partnership will raise the profile of all our teams, and it will have an immediate and positive impact on the level of play.

The Frontier League is the premier MLB Partner League in North America as over 600 players have had their contracts purchased by MLB organizations since the league's inaugural season in 1993. It is the oldest and largest MLB Partner League with teams located in Illinois, Indiana, Kentucky, New Jersey, New York, Ohio, Pennsylvania and three teams across the border in Canada.
